

CLAUSE I-69 – LAYOUT OF WORK (August 2002)

The Subcontractor shall lay out its work from SURA established base lines and bench marks indicated on the drawings, and shall be responsible for all measurements in connection with the layout. The Subcontractor shall furnish, at its own expense, all stakes, templates, platforms, equipment, tools, materials, and labor required to lay out any part of the work. The Subcontractor shall be responsible for executing the work to the lines and grades that may be established or indicated by SURA. The Subcontractor shall also be responsible for maintaining and preserving all stakes and other marks established by SURA until authorized to remove them. If such marks are destroyed by the Subcontractor or through its negligence before their removal is authorized, SURA may replace them and deduct the expense of the replacement from any amounts due or to become due to the Subcontractor.
